### DISCLOSURE AND CONSENT :

#### Disclosure Notice

The collection of the information on this form is authorized by the applicant for disclosure and will be used to determine the fitness-for-duty. This information may be disclosed to the employees within the Group Human Resources Division of the National Commercial Bank Jamaica Limited for reasons including but not limited to employees' compensation, retirement, and other benefit entitlements. We may also be required to seek assistance from an expert consultant or other personnel on the Bank's medical panel which may also lead to the sharing of your medical information. In the case of a dispute regarding discrimination or any other legal matter, your information may also be shared with legal officers of the court. It is also noted that the Bank reserves the right to allow auditors internally and externally to view and assess employees' information and files for auditing purposes. Completion of this form is voluntary. If this information is not completed, the examination may be considered incomplete and a withdrawal from the employment process. **Knowingly providing false or incomplete answers may result in the rescission of a conditional job offer or dismissal if discovered at a later time.**

#### Consent and Certification

I hereby authorize collection and use of the medical information obtained for the purposes stated in the above Disclosure Notice and agree to release to the attending Physician, NCB, their medical representative(s) and/or other associates from any and all liability and responsibility arising out of the release of such information.

I have read and understood the provisions of the Disclosure Notice included in this form. I certify that all the information given by me in connection with this examination will be correct and complete to the best of my knowledge and belief.

I also understand that if additional medical examinations or assessments are required, this consent will also be extended to those procedures and physicians.
